

19th Symposium for Gene Design and Delivery

“Innovation of NEXT-Generation Medical Principal
Stand on the Delivery Technology”

May 8 (Wed) . 2019

Keyaki Kaikan in Chiba University (Nishi-Chiba Campus)

Special Lecture

- Koutaro Yokote (Graduate School of Medicine, Chiba University)

Invited Lectures

- Sherry Wu (School of Biomedical Sciences, The University of Queensland)
- Amanda W. Lund (Department of Cell, Developmental and Cancer Biology,
Oregon Health and Science University)
- Kazuo Sakurai (Faculty of Environmental Engineering, The University of Kitakyushu)
- Hirokazu Matsushita (Aichi Cancer Center Research Institute)
- Takeshi Matsumoto (FUJIFILM Corporation)
- Hirohide Saito (CiRA, Kyoto University)

Luncheon Seminar

- Genki Kanda (RIKEN Center for Biosystems Dynamics Research; RBI Inc.)

【Registration and Abstract Submission】

<https://19genesympo.wixsite.com/19th-gene-delivery>

~March 15 (Fri) . 2019

Students non-member	¥ 2,000
Students member	¥ 0
Non-students non-member	¥ 5,000
Non-students member	¥ 0

Supported by

The Japanese Society of Gene Design and Delivery
INSTITUTE FOR GLOBAL PROMINENT (GP) RESEARCH, Chiba University
